FINAL ORDER OF STATUTORY REVOCATION

As noted below, the Texas Board of Chiropractic Examiners (Board) has received notice that Chase Lindsay, D.C., License No. 10007, (Respondent) has been convicted of a felony criminal offense. The Texas Chiropractic Act, Texas Occupations Code §201.5065 (b) mandates that the Board revoke a chiropractor's license on proof that the chiropractor has been convicted of a felony.

Finding of Fact:

1. Respondent is a chiropractor licensed by the Board to practice chiropractic in Texas.

2. The respondent's license was in full force and effect at all times and dates material and relevant to this Final Order.

3. On or about January 22, 2013, a judgment of guilty was entered against Respondent in a case styled THE UNITED STATES OF AMERICA VS. CHASE LINDSAY, D.C., Criminal Case No. H-12-732, the UNITED STATES DISTRICT COURT, SOUTHERN DISTRICT OF TEXAS, HOUSTON DIVISION. The plea agreement stated that the Respondent was pleading guilty to Conspiracy to Commit Mail Fraud, a felony, and that the Respondent could be sentenced to a term not to exceed thirty years and a fine of not more than $1,000,000.00.

4. On or about April 14, 2014 the Respondent was sentenced to 24 months in the United States Bureau of Prison; 2 years supervised release term with standard terms; no fine; cannot possess firearms, ammunition, destructive device or any other dangerous weapon; prohibited from possessing a credit device such as a

credit card without the approval of his probation officer; $1,192,382.94 restitution to be paid jointly and severally with the co-defendants at the rate of $200.00 per month commencing 30 days after release; participate in random drug and alcohol testing as directed by his probation officer; and shall incur costs associated based on Respondent's ability to pay as determined by the probation officer.

5. On or about May 21, 2014, the Enforcement Committee of the Board considered this matter and recommended that the Board initiate this statutory revocation.

6. Respondent's Plea Agreement entered in Court contains a Waiver of Appeal.

7. Respondent has been formally sentenced.

8. The Board considered this matter at its meeting on May 22, 2014 and voted to revoke the Respondent's license.

Conclusions of Law:

1. At all times pertinent to this action, Respondent was subject to all laws and rules administered by the Board.

2. The Texas Chiropractic Act, Texas Occupations Code §201.5065 (b) states "On final conviction for an offense described by subsection (a), the Board shall revoke the chiropractor's license."

3. Offenses described in subsection (a) include (1) "(A) a felony."

4. Because Respondent has been convicted of a felony, the Board is required under §201.5065 (b) to revoke Respondent's license.

IT IS, THEREFORE, ORDERED by the Texas Board of Chiropractic Examiners that the license held by Respondent Chase Lindsay, D.C., License No. 10007, is revoked, effective the date of this order. If enforcement of this order is restrained or enjoined by an order of a court, this order shall then become effective upon a final determination by said court or appellate court in favor of the Texas Board of Chiropractic Examiners.
