CENTERS FOR INTEGRATIVE MEDICINE AND HEALING

Centers for Integrative Medicine and Healing (CIMH) is the nation's leading and most advanced integrative medicine clinic. At CIMH we have one focus. That focus is building a better, healthier, happier, pain free you.

Dr. Tad and his elite team of Doctors have successfully treated thousands of patients with a variety of chronic illnesses, pain, advanced systemic problems and disease.

Each and every patient at CIMH is treated with the utmost care, professionalism, respect and compassion. Our patients would call us healers, friends and advocates - we like to think we are their teachers and coaches. Coaching them to a healthier, happier life with improved well-being, functionality and a pain free lifestyle.

Our integrative treatments are natural, effective and come with no side effects. The only effect you should anticipate is improvement in your health and well-being.

CIMH uses a variety of Oriental and Western Medicine modalities to treat root causes and branch symptoms of illness and chronic pain, eliminating discomfort and greatly improving your lifestyle.

We are on your side, we are here to help, we are here to listen carefully and we are here to get you on the way to full health restoration.

Feel free to contact us at any time during our operating hours, use our interactive Virtual Symptom Indicator™ on our website or send us an email. We are looking forward to hearing from you soon.
