“FORMULAS FOR HEALTH”

Catalog of Nutritional Supplements

Notes:

The **MVP Program** is a series of four unique supplements, specifically designed to support healthy circulation. Every cell in your body relies on proper circulation of the blood to supply the oxygen and other nutrients needed to keep them alive and reproducing. The complete **MVP Program** was designed by Kenneth Daub, D.C., and is offered exclusively through Enzymatic Therapy. **These four supplements are only sold as a complete unit for maximum natural benefits.**

MVP 1

Marine Lipid Concentrate with Curcumin 97%

MVP 1 contains a large quantity of omega-3 fatty acids from marine lipids (oils). Although their natural benefits for the body are still being explored, modern research clearly shows omega-3s can help support a healthy circulatory system.

MVP 1 also contains curcumin, a natural compound from curcuma (turmeric) root. Studies show curcumin provides support to a healthy heart and vascular system.

Recommendations:

One capsule three times daily or as recommended by your health care practitioner. **90 capsules.**

Each capsule contains:

EPA (Eicosapentaenoic Acid)	180 mg.
DHA (Docosahexaenoic Acid)	120 mg.
Total Omega-3 Fatty Acids	300 mg.
Curcuma root extract* (Curcuma longa/Turmeric)	100 mg.
*(97% curcumin content)	

Contains no sugar, salt, yeast, wheat, corn, soy, dairy products, coloring, flavoring or preservatives.

MVP 2

Hypo-Allergenic Multi-Nutrient Supplement

MVP 2 is a complete multi-nutrient formula, providing the vitamins and minerals required by the body for good health, plus many enzymes and essential amino acids which provide important nutrition to the heart and arteries.

MVP 2 also contains beta-carotene, vitamin C, vitamin E, and selenium. These antioxidant nutrients help protect the body against the damaging effects of free radicals and oxidation.

Recommendations:

Two tablets three times daily with meals or as recommended by your health care practitioner. **180 tablets.**

Each two tablets contain:

Vitamin A	3,334 IU
Vitamin D	67 IU
Vitamin B1	34 mg.
Vitamin B2	17 mg.
Vitamin B6	34 mcg.
Vitamin B12	34 mcg.
Vitamin C	400 mg.
Vitamin E	134 IU
Beta-Carotene	5,000 IU
Biotin	100 mcg.
Niacin	67 mg.
Pantothenic Acid	167 mg.
Folic Acid	267 mcg.
Calcium	170 mg.
Chromium	67 mcg.
Copper	0.67 mg.
Iodine	40 mcg.
Iron	6.67 mg.
Magnesium	170 mg.
Manganese	6.67 mg.
Molybdenum	34 mcg.
Potassium	34 mcg.
Selenium	67 mcg.
Zinc	6.67 mg.
Bromelain	50 mg.
Choline	34 mg.
L-Cysteine	20 mg.
Hesperidin	17 mg.
Inositol	34 mg.
L-Methionine	20 mg.
PABA	17 mg.
Rutin	17 mg.

Contains no sugar, starch, salt, wheat, corn or soy derivatives.

MVP 3

Proteolytic Enzymes

MVP 3 contains high-quality proteolytic and pancreatic enzymes. Researchers have found that the presence of enzymes in the blood is important for a sound circulatory system.

Recommendations:

Two tablets three times daily or as recommended by your health care practitioner. **180 tablets.**

Each coated tablet contains:

Pancreatin (10X)	200 mg.
Papain	100 mg.
Bromelain	75 mg.
Rutin	60 mg.
Trypsin	35 mg.
Thymus	35 mg.
Amylase	15 mg.
Lipase	15 mg.
Lysozyme	10 mg.
Cellulase	2 mg.
a-Chymotrypsin	1 mg.
Zinc Gluconate	4 mg.

Contains no sugar, starch, salt, wheat, corn, yeast or soy derivatives.

MVP 4

Multi-Glandular

MVP 4 contains concentrated extracts of thymus, spleen, and adrenal gland specially processed to preserve their natural state. Pacific kelp, a rich source of iodine, provides nutrition for the thyroid gland. These glands work in the body to support the immune system, nourish the blood, and maintain proper metabolism.

Recommendations:

One tablet three times daily with meals or as recommended by your health care practitioner. **90 tablets.**

Each tablet contains:

Thymus Concentrate	42 mg.
Spleen Concentrate	42 mg.
Adrenal Concentrate	50 mg.
Pacific Kelp	50 mg.

Contains no sugar, starch, salt, wheat, corn, yeast or soy derivatives. All organs and glands derived from bovine sources.

Notes:
