

# **CURRICULUM VITAE**

## **Alireza Panahpour D.D.S.**

Doctor of Dental Surgery Private Practice

### **Washington Office**

14205 SE 36th St #365, Bellevue, WA

### **California Office**

2701 Ocean Park Blvd #108, Santa Monica, CA

[info@systemicdentist.com](mailto:info@systemicdentist.com)

[www.systemicdentist.com](http://www.systemicdentist.com)

### **Formal Education**

2005-2007	New York Academy of Medicine -Acupuncture and Electro-Acupuncture degree
1990-1993	University of the Pacific, School of Dentistry - Doctor of Dental Surgery Degree
1988-1990	California State University - Pre Med Courses
1988-1990	UCLA -Pre Med Courses
1982-1990	University of California- Undergraduate

### **Accreditation**

2018 **International Academy of Oral Medicine and Toxicology** ( IAOMT)

2016 **Craniofacial Epigenetics** by Dr. Dave Singh PhD. DMD

2014 **Academy of Biomimetic Dentistry**

2013 **The Alleman-Deliperi Center for Biomimetic Dentistry,**  
• Sardinia Dental Teaching Center, Italy

2012 **American Academy of Ozonotherapy**

2010 **International Academy of Biological Dentistry and Medicine** (IABDM)

1999 **Police Surgeon** New York, NY  
• Forensic Dentistry  
• Team One

## **Professional Past & Current Memberships**

American Academy of Cosmetic Dentistry  
International Academy of Biological Dentistry and Medicine  
Environmental Dental Association  
International College of Acupuncture and Electro-Therapeutics  
International Academy of Oral Medicine and Toxicology  
American Academy of Ozonotherapy  
Holistic Dental Association  
World Congress of Minimally Invasive Dentistry  
Weston Price Chapter Leader Bellevue Washington  
American Academy of Oral Systemic Health  
Tom McGuire of the Mercury Safe Dentist  
American Dental Association  
Washington Dental Association

## **Professional Speaking Engagements**

- 1/2018 **NW Mind, Body, Spirit Connection** Bellevue, WA
- "Your Immune System's New Best Friend: Your Dentist"
  - How health and immunity may improve by becoming conscious of the material that go into your mouth
- 11/2017 **Prevention on Purpose** San Luis Obispo, CA
- Dental Epigenetics- The Next Frontier
  - How to Unlock Your Epigenetic Potential
  - New Science in the field of Epigenetics
- 09/2017 **Academy of Neurobiology- Bastyr University** Seattle, WA
- Dental Epigenetics- how our environment affects our oral health and structure
  - How your teeth affect your overall health
- 03/2017 **Holistic Dental Association** Tampa, FL
- "Dental Epigenetics"
  - Kinesiology in the Dental Office
  - 5 levels of healing
  - Genetics & Mercury The Perfect Storm
- 02/2017 **IAOMT** Miami, FL
- "Dental Epigenetics"
  - Mechanism of Metal Allergies and Titanium Tolerance
  - Local and Systemic Effects from Tribocorrosion of Titanium Implants

## **Employment History**

04/2009-Present **Alireza Panahpour D.D.S. Inc.-Private Practice**

Bellevue, WA

03/1997-Present **Alireza Panahpour D.D.S. PC. -Private Practice**

Santa Monica, CA

- General Dentistry
- Systemic Dentistry
- Cosmetic Dentistry
- Preventive Maintenance
- Amalgam Removal (Mercury filling & metal removal)
- Dental Foci (Infection Treatment)
- Snoring/Sleep Apnea Treatment/Chirodontics/SOTO
- Beauty Aesthetics (PRP/PRF facials, injections, fillers, etc.)

2007-2009 **South Coast Medical Center for New Medicine- Dental Director**

Irvine, CA

- Biological Dentistry at South Coast Medical Center For New Medicine
- General Dentistry
- Systemic Dentistry
- Cosmetic Dentistry
- Preventive Maintenance
- Amalgam Removal (Mercury filling & metal removal)
- Dental Foci (Infection Treatment)
- Snoring/Sleep Apnea Treatment
- Brite Smile Whitening

1996-1997

**Marc Saddler D.D.S.**

Geneva, Switzerland

- General Dentistry
- High Impact Cosmetic Dentistry
- Implant Dentistry

06/1994-06/1995

**Access Dental Care**

Los Angeles, CA

*Manager: at two locations*

- Head Dentist
- Oversaw Patient Care
- Office Manager

06/1993-06/1994 **Rebecca Castaneda D.D.S.**

San Francisco, CA

*Prosthodontist and Health Commissioner*

*Residency-with focus on the following*

- Joint Disorders
- Implants
- High Impact Cosmetic Dentistry
- Full Mouth Reconstruction
- Ethics
- Experience in Operating a Successful Practice
- Aid the Health Commissioner

## **Continuing Education**

### **03/2018 Advanced Aesthetics**

Dr. Howard Katz

- Advanced Technique Training for Injectable Fillers

### **02/2018 Dentox Dermal Fillers Course**

Dr. Howard Katz

- Comprehensive Injectable Fillers Training
- How to use dermal fillers in conjunction with Botox for the best possible results on the cheekbones, chin, nose and mouth.

### **01/2018 Dentox Botox Training**

Dr. Howard Katz

- Botox Training for Physicians, Nurses, Dentists and other Qualified Medical Professionals
- The latest FDA approved botulinum toxins and their applications

### **11/2017 Advanced-PRF Course in Facial Esthetics**

Miami, FL

Dr. Richard Miron

- Biological Background & Clinical Indications of
- PRF Phlebotomy training and live demos with advanced PRF and injectable PRF
- Understand the natural healing process

Dr. Cleopatra Nacopoulos

- Teaching the indications for when and where to use PRF therapy in combination with mesotherapy, derma-pen etc.
- modified centrifugation protocols to create PRF for facial aesthetics developed and established by Dr. Cleopatra Nacopoulos
- Biology of Wound Healing. Understand the importance of vascularization for both soft and hard tissues

### **11/2017 Prevention on Purpose**

San Luis Obispo, CA

David Marquis, DC, DACBN

- How to Unlock Your Epigenetic Potential: Epigenetics is shaping the way we approach wellness; proving that the environment is the key to how our genes express and the way this impacts our daily wellness & illness prevention regimes!
- Help identify the real problem of an unrecognized neuro-metabolic issue.

Andre Smith- Inventor of the Hocatt

- How to get to the root of those things that create chronic inflammation and disease and then take the next step to regain your health through full body oxidative / mitochondrial enhancement!

Dr. Alireza Panahpour, DDS

- New Science in the field of Epigenetics: A new frontier in dentistry. The general characteristics and implications for oral health!
- How we can prevent the epidemics of cancer, diabetes, heart disease and brain dysfunctions by taking preventive actions!

**02/2017 IAOMC**

Miami, FL

- Mechanism of Metal Allergies and Titanium Tolerance
- Local and Systemic Effects from Tribocorrosion of Titanium Implants
- Titanium intolerance as a New Risk in Dental Titanium Implantology
- Histology and Osseointegration of Zirconia Implants
- Zirconia Implants: The State of the Art
- The Quest for Tough, Strong, and Stable Zirconia Ceramics in Dental Implantology
- Biofilm Adhesion on Different Surfaces Used for Prosthetic Restoration
- New Materials: New Challenges
- Clinical Applications for Zirconia Implants: An Update
- Evidence based facts and clinical success of monotype ceramic implants
- Long term Evaluation of the success for Zirconia Dental Implants: A 5 to 8 year study
- Screw-Retained Ceramic Implant Connections: The Next Generation
- One piece and Two piece Zirkolith Implants: A Comparative Clinical Trial
- Peri-Implantitis: The Effect of Implant Surfaces and Positioning
- Surgical and Prosthetic Protocols for Using Biphasic Ceramic Implants
- Full Arch Metal Free rehabilitation with one piece and two piece Ceramic Implants

**3/2017 Holistic Dental Association 40<sup>th</sup> Annual Conference**

Tampa, FL

- Homeopathy in Dental Office
- Kinesiology in the Dental Office
- Medical Necessary Orthodontics Optimize Pediatrics
- Non-Surgical Periodontal Therapy
- Use of A-PRF and I-PRF in Oral Surgery/Phlebotomy Techniques
- Fundamentals of Holistic Dentistry
- The aligner Articulator for Balancing Cranial, TMJ
- Therapeutic Herbal Protocols
- Women in Dentistry: Safety Issues for Pregnancy and Breastfeeding
- 40 years of the Holistic Dental Association
- Biology of Wound Healing with PRF
- Evolutionary Oral Medicine

- Optimizing Oral Function in the Breastfeeding Dyad
- Regenerative Endo and Vital Pulp Therapy
- Demand Your Choice: Empowering Consumers to Choose
- How to implement Ozonated Oils in your Dentist Practice
- Legal Issues in Holistic Dentistry
- Tongue Diagnosis

**04/2017**      **Holistic Dental Association Healing Hands of Holistic Dentistry** Atlanta, GA

- Genetics & Mercury The Perfect Storm
- Functional Integrative Dentistry
- Oral Cancer 2.0 The Changing Trend
- The Art of Zentistry

**02/2017**      **2017 IAOCI 6th Annual International Academy of Ceramic Implantology Winter Congress** Miami, FL

**11/2016**      **Pikos Institute** Trinity, FL  
Advanced Bone Grafting

**11/2016**      **Pikos Institute** Trinity, FL  
Sinus Grafting for Implant Reconstruction

**10/2016** **Frontiers in Ozone Conference** Santa Barbara, CA

- Mechanisms of Action of Ozone Dr. Silvia Menendez
- What can we do with ozone as a Doctor? Dr. Ruhi Cakir
- Advance Ozone Research in Medicine Dr. Margo Roman
- Advance Clinical Therapies of Ozone in Medicine Dr. Lamberto Re
- Ozone in dealing with Aesthetic, Quality of Life and Pain dr. Marcelo Valio
- Ozone and Anti-Aging Effects Dr. Ruhi Cakir
- Ozone and Caries Dr. Tim Rainey
- Hyperbaric High Doze Ozone Therapy Dr. Robert Rowen

**09/2016**      **IABDM** Reno, NV

- The Role of Oral Bacteria in Systemic Nitric Oxide Production In Humans
- The Fluoride Fallacy: Death of the Precautionary
- The Mercury-Free Dentistry Movement
- Ceraroot Zirconium Implant What, When, Why, Where, and Who
- Putting The Pieces Back Together
- Sex, Drugs, and Oral Cancer
- Ceraroot Zirconium Implants: How Step by Step Clinical Protocol for Surgical and Prosthetic Excellence
- Good Standard & Protocols for Non-Toxic and Biological Dentistry
- More on the Mercury-Free Movement
- Never Ending Endo

- The New Patient Grid-How to Have Your New Patients Accept Your Best Care and Keep Them for a Lifetime
- Titanium Implants and Bacteria DNA
- Something's happening here and you don't know what it is.. Do you know Dr. Jones?
- On/Off switches for cancer
- Dental, Parasites, and Energy Medicine: Missing Link for Medical Incurables
- Medical Cannabis-It's For Real
- Vaxxed-The Movie

**04/2016      Holistic Dental Association Healing Hands of Holistic Dentistry** Atlanta, GA

- Genetics & Mercury The Perfect Storm
- Functional Integrative Dentistry
- Oral Cancer 2.0 The Changing Trend
- The Art of Zentistry

**02/2016      2016 IAOCI 5th Annual International Academy of Ceramic Implantology Winter Congress** Miami, Florida

**10/2015      International Academy of biological Dentistry and Medicine 2015** Nashville, TN

- Biological Dentistry 101
- Biological Dental Hygiene
- Dr. Singh PhD, BDS, DDS

**Pneumopedics: Non-Surgical Upper Airway Remodeling for OSA**

Introduction to the principles of Pneumopedics, concepts of biomimicry and their clinical applications

Robert Whitman, MSE

**Sex, Drugs, and Oral Cancer**

- Discussed importance of proper oral cancer screenings protocol for
- Medical and dental professionals.

Sally Fallon Morell

**Nourishing Traditional Diets for Perfect Dental Health**

- Talk will describe the principles of healthy diets, emphasizing on
- Vitamins in pregnancy diets when teeth are being formed

Thomas E. Levy, MD, JD

## **Coronary Heart Disease: Pathophysiology and its Relation to the Root**

### **Treated Tooth**

- The correlation between coronary heart disease and chronic
- Has been recognized and well established for some years now
- Evidence that the chronic seeding of oral pathogens and toxins.

John Roberts, BDSc

## **Physiological Regulating Medicine (PRM): 22<sup>nd</sup> Century Medicine**

- PRM is a natural evolution for modern health care, blending
- Homeopathic and modern biochemical medicine.

Felix Liao, DDS

## **6 Foot Tiger, 3 Foot Cage: Why Teeth Grinding Sleep Bruxing Airway**

- Helping patients with airway obstruction during sleep.

Bob Wheeler PhD (ABD)

## **Detection of Microbial DNA/RNA in Clinical Species**

- How advanced techniques in molecular biology allow the highly
- And detection of microbe's that contain either DNA or RNA.

**10/2015 Academy of Biomimetic Dentistry  
4<sup>th</sup> Annual Conference**

Philadelphia, PA

### **Charles Cox, DMD, Ph.D "The Hybrid Zone"**

Effects of inorganic (mineral) versus an organic acid on tooth issues.

### **Shigehisa Inokoshi DMD, Ph.D "Caries Detection" and "Dentin Bonding"**

Concepts of minimal intervention eliminates need for traditional cavity shaping

Presentation of clinical operative dentistry restorative procedures

### **Markus B. Blatz, DMD, PhD "Indirection Restorations"**

Modern ceramic materials with variety of treatment options vs. those of

Traditional methods.

**Alireza Sadr, DDS, Ph.D “Tomography Studies on Dental Bonding”**

Strategies to overcoming challenges of internal sealing.

**Carol Vander Steop, RDH, BSDH, OMT “Building a Healthier Practice”**

Testing for autoimmune disorders and why we should care.

**Graeme Millicich, BDS “Hands on Course for One Visit Crown (OVC)”**

Hands on session that will address discussions, and costing with step by step

Procedures to create a final restoration.

**Sema Belli, DDS, PhD and Gurean Eskitascioglu, DDS, PhD “Ribbond Studies with Composite and Restoration of Endodontically Treated Teeth”**

Biomechanical properties of endodontically treated teeth will explain direct and

Indirect restorative options.
